.....

.....

.....

.....

.....

.....

9. Main research questions that you are going to address:

.....

.....

.....

.....

.....

.....

.....

10. The objectives of your research:

10.1 General Objective:.....

.....

10.2 Specific objectives:

.....

.....

.....

.....

.....

.....

.....

11. In your methodology what data gathering techniques that you are going to use in achieving your objectives (Must perfectly be matched to your objectives):

.....

.....

.....

.....

.....

.....

12. Any other related information like clarifications and justifications (If only necessary)

.....

.....

.....

.....

.....

.....

.....

.....

.....

Signature of the Student
